

Helping you get the most out of your Workplace pension

The starting point — your pension website

Here you'll find information about your company pension and interactive planning tools to help you make the right decisions and plan for life after work.

Ask your employer to give you the website address

If you need help, you can speak to someone too

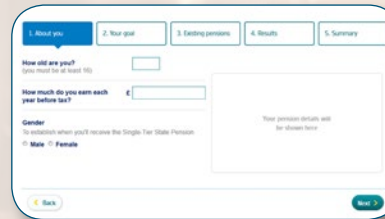

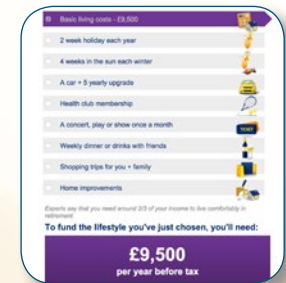

Call us on 0800 606 0057
(Mon–Fri, 9am to 5pm).

Calls may be monitored/recorded, call charges will vary.

The Retirement Tool

- ▶ Shows you how much retirement costs by selecting the things you'd like to do when you retire
- ▶ Find out how much you might want as a retirement income

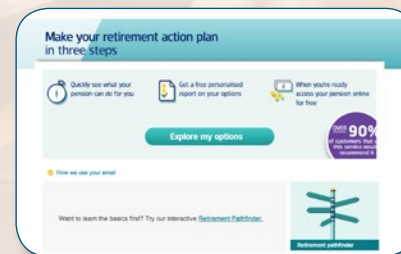

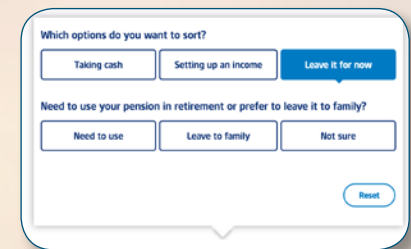

The Retirement Planner

- ▶ Helps you work out how much your pension could be worth when you stop work
- ▶ Shows you how much you may need to save now, to reach your target retirement income
- ▶ The tool gives you ideas in how to give your pension a boost

The Retirement Pathfinder

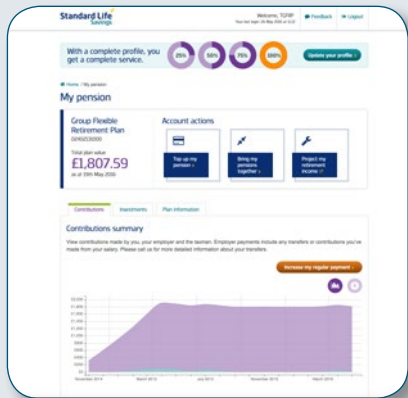

- ▶ This tool helps you explore the pension income options available
- ▶ Gives you ideas on how to use your pension pot
- ▶ Full guides available for each option

The Retirement Calculator

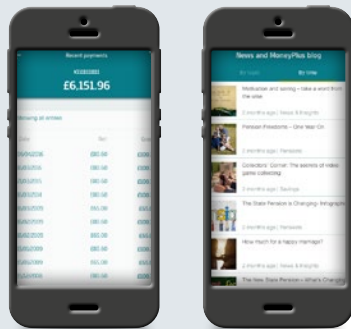

- ▶ Quickly see what your pension can do for you
- ▶ Get a free, personalised report on your options
- ▶ When you're ready, use the tool to access your pension

Keep tabs on your pension

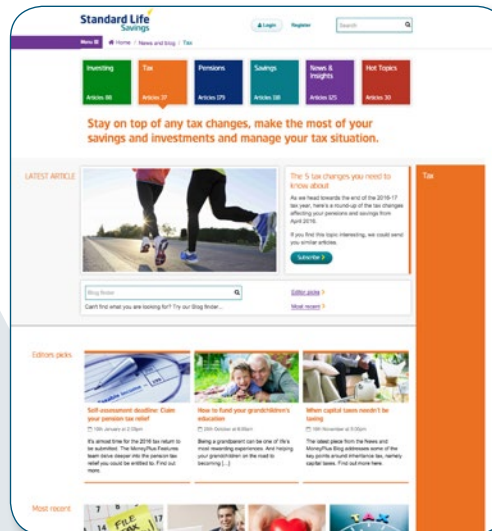

Employeezone – your personal, secure online account with Standard Life

- ▶ See what your pension value is what it might be worth when you retire
- ▶ Check your payments and make top-up payments
- ▶ Review where your money is invested and how your funds are performing
- ▶ Manage your money on the go. Download the Standard Life UK app to manage your pension on your tablet or mobile
